Who wants to decorate cookies

We decorated cookies for a treat one day. It was fun to use our creativity! After we made our masterpiece, we ate them...every little crumb!

Community Integration Highlight

Auburn Career Center Salon

Located in Concord Twp.

This is a student run salon. They offer numerous spa & salon services all at a reasonable price. The students open the salon 1 day a week to practice their skills. All services are performed by the students under direct supervision of the certified instructor. The community is encouraged to make an appointment on the days they are open as they fill up fast at times, but do welcome walk-ins.

The ladies love their pampering time and socializing with the students. All the students work out in the community as well, so depending on where you go for your spa & salon services, you may see one of them. Typically we go once a month for our relaxation time.
