Suzanne Mathis-Autism Specialist

Lindsey Spence-Autism Specialist

Brandy Stacy-Autism Specialist

Annamarie Kayza-Autism Specialist

Michael Bell-Imagine Nurse

Wrapping Up the End of the Year!

The individuals at the JCR Imagine Program stayed busy wrapping up the end of 2023! They worked so hard putting together a large order for the Steris job, making lots of dog treats to keep our dog treat locations stocked, going on community integration outings, and volunteering for End 68 Hours of Hunger.

Feelings and Weather Chart

We started a new routine for all of the individuals at Imagine. When they arrive in the mornings, they take their popsicle stick with their picture and place it in the feelings pocket that they identify with that morning. We are working on identifying accurate emotions with all. Staff also go over the weather for the day and indicate on the board if we are walking inside or outside for that day.

Individual of the Month

Each month, one individual in the program is chosen to be recognized. They receive a certificate and get to choose an activity of their choice! Here are the past months recipients: **Oct:** Zach, **Nov:** Doug, and **Dec:** Eric

Community Integration Outings

We plan a different community integration outing each week. Some of the outings that took place this quarter included: Patterson's Fruit Farm, Gully

Park and Mickey's Ice-cream, Fiona's Coffee Shop, Holiday Shop and Stroll, Costco, Mentor Library and Golden Crust Bakery, and Pulp and Dollar Tree.

Paid Work/Contracts with Local Businesses

The Imagine individuals were very busy in the months of September and October. They assembled over 80 sink kits for Steris! Doug and Caleb did a great job of putting all the kits together: placing 1 of each bagged product (25 in total) into the kit boxes.

EZ Mileage Club: Walking Program

The individuals at the Imagine Program started participating in the EZ Mileage Club walking program in April. Their miles are tracked each time that they participate in a walking activity.

At the end of the year here were some of our top walkers: Doug-228 miles, Eric-223 miles, Josh-166 miles, and Zach-144 miles.

Way to move everyone!

Pieces of Imagination Dog Treats

The individuals in the program make the Pieces of Imagination Dog Treats that are then sold at Barktown Willoughby (downtown Willoughby), Bailey's Bark (Wickliffe), and the Unique Like Me store (Painesville). We also take orders at any time you need some delicious treats for your furry friend!

Jen, Ryan, and Michael really did an amazing job this quarter making the dog treats!

Check out our new Pieces of Imagination Dog Treat page on the Deepwood Industries website! Tell your family and friends they are able to order on the website by clicking on the "email to order" icon.
